Workshop on God's Plan & Purpose, July 6-7, 2018

## TUAILAI WORKSHOP 2018 APAT ZILLAI

Summary of Sessions 1 & 2 of Tuailai Workshop : July 6, 2018

- *Chinggaihlian Tunglut*

### Session 1:

- 1) If we ever think that God is not interested in each one of us and that God does not have a plan and a purpose for each one of our lives, it is Satan's blatant lie.
- 2) We do not exercise our God-given brain and our Faith enough. We've been taught to think a certain way and stick to it. Instead, we should be encouraged to think out of the box and allow ourselves to think and do things differently. In this way, we will be opening new avenues for The Lord to work His purpose in us.
- 3) We have to know God personally in order to know our purpose.
- 4) We must be Joyful in the Lord for all He has done for us. God uses that joy to touch people's heart.
- 5) God knows our desire and pain. He is pained when we are in pain because the Holy Spirit resides in us.
- 6) The time has come for us to change : We need to change with the times but at the same time we need to be rooted in Scripture which remains unchanged.
- 7) We are afraid of reality. We have lost our sensitivity to the Holy Spirit that we have lost our connection with God. It is time we ask for forgiveness and invite the Holy Spirit back into our lives to come and take His place.
- 8) We are Significant as a community. God placed us exactly where we are supposed to be. But we have gone too far away from God and our Society has crumbled. We need to get right with God to be the people we were meant to be.

### Session 2:

- 1) God never rests. He never rests for our sake.
- 2) The time has come to prove who we are in Christ to play our part in the great commissioning.
- 3) Our lives should be our testimonies.
- 4) Worship is a lifestyle that needs to be demonstrated in every walks of our lives. It has to come naturally.
- 5) We can be emotional (eg: Anger) but it is how we react that matters
- 6) What we demonstrate in our character /action is key to being followers of Christ. We need to transform our minds to The Kingdom mindset and change our 'Attitude' accordingly, be it our pride, our ego and our self righteousness.
- 7) The church have been controlled by money and people with power for too long. This needs to change.
- 8) Leaders of the Church need to transform for the congregation to transform.
- 9) Miracles happen in the most unusual ways just as it happened in 1 Kings 18:33. When Elijah prayed to God for Fire to come down from Heaven to light up the Altar. We must prepare our lives for transformation just as Elijah cleared the Altar that was dedicated to Baal before he rebuild it for the fire of the Lord to come down. We must rebuild the Altar and take a step away from the usual and do the opposite just like Elijah did.
- 10) We must be transformed for new things, new ways of worship, new way of talking to people, new way of talking and doing things and new way of acting and reacting to people and things.
- 11) We must always exult and worship God with gratitude. We can do this only when we get to know God and what pleases Him.
- 12) We must prepare ourselves so that He can work in us and through us by taking the necessary steps in Faith and deeds. Let's be transformed!
