Are we *progressive*?

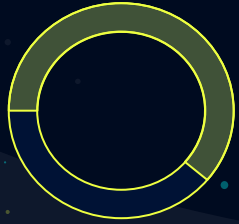

Believe that following the way and teachings of Jesus can lead to experiencing sacredness, wholeness, and unity of all life, even as we recognize that the Spirit moves in beneficial ways in many faith traditions.

Embrace the insights of contemporary science and strive to protect the Earth and ensure its integrity and sustainability.

Are we *progressive*?

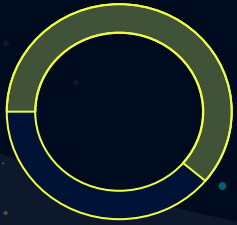

Seek community that is inclusive of all people, honoring differences in theological perspective, age, race, sexual orientation, gender identity/expression, class, or ability.

Strive for peace and justice among all people, knowing that behaving with compassion and selfless love towards one another is the fullest expression of what we believe.

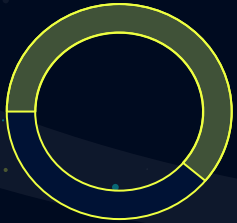

Are we *progressive*?

Commit to a path of life-long learning, believing there is more value in questioning than in absolutes.

No harm done??
